Sommario/riassunto

A Sourcebook on African-American Performance is the first volume to consider African-American performance between and beyond the Black Arts Movement of the 1960's and the New Black Renaissance of the 1990's. As with all titles in the Worlds of Performance series, the Sourcebook consists of classic texts as well as newly commissioned pieces by notable scholars, writers and performers. It includes the plays 'Sally's Rape' by Robbie McCauley and 'The American Play' by Suzan-Lori Parks, and comes complete with a substantial, historical introduction by Annemarie Bean.
