Sommario/riassunto	Erotics and Politics provides an interface between the study of sexuality (particularly gay male studies) and gender (primarily feminism). In doing so it covers a wide range of issues of concern to gay and feminist movements over the past twenty five years including gay liberational sexuality, sado-masochism, pornography, promiscuity, personal relationships, AIDS and postmodernity. The central focus of attention throughout is the nature, development and consequence of gay male sexuality and masculinity. This book is unique in its coverage of a wide range of issues and connecting subje
