Sommario/riassunto	Chamber Music: A Research and Information Guide is a reference tool for anyone interested in chamber music. It is not a history or an encyclopedia but a guide to where to find answers to questions about chamber music. The third edition adds nearly 600 new entries to cover new research since publication of the previous edition in 2002. Most of the literature is books, articles in journals and magazines, dissertations and theses, and essays or chapters in Festschriften, treatises, and biographies. In addition to the core literature obscure citations are also included when they are the only studi
