Sommario/riassunto	The interpretations in A Heart Afire are as rich and meaningful as the teachings and tales themselves in this intimate guided tour of Hasidism and Hasidic storytelling led by Reb Zalman, an old-world Hasidic elder who is also profoundly connected to modern culture. As a bridge between both worlds, Reb Zalman, and his co-author and student Netanel Miles-Yeppez, introduce the reader to rare and unique translations of Hasidism with their own personal reflections on their meaning. This book gives the readers the opportunity to immerse themselves in the world of Hasidic wisdom and narrative
