Sommario/riassunto	This book is a collection of teaching cases on two Chinese companies, UFIDA and Founder. The cases describe the management practices of typical Chinese companies. UFIDA is a well-known company providing management software while Founder is a long-established high-tech company. The book aims at providing readers with original, first-hand materials, based on a theoretical framework, and broadening readers' vision regarding China's business niche in terms of culture, strategy, corporate governance, business environment, organizational dynamics, marketing, human resource, finance and the
