Fischer -- Revisionism, prolepsis, and anachronism : two contemporary Spanish novels about Teresa of Avila / Alison Weber -- Barbara, la alquimista de palabras (Barbara, the alchemist of words) / Marjorie Agosin.

Sommario/riassunto

"Includes articles by fourteen outstanding scholars who examine works by or about exceptional early modern Spanish women from diverse walks of life--from queens to poets, from actors to saints. Divided into four parts, these essays demonstrate how these women asserted their agency in the household, in the convent, on the stage, or at their writing desks"--
