Sommario/riassunto

The Aztecs brings to life one of the best-known indigenous civilizations of the Americas in a vivid, comprehensive account of the ancient Aztecs. A thorough examination of Aztec origins and civilization including religion, science, and thought Incorporates the latest archaeological excavations and research into explanations of the Spanish conquest and the continuity of Aztec culture in Central Mexico Expanded coverage includes key topics such as writing, music, royal tombs, and Aztec predictions of the end of the world.
