Sommario/riassunto	This third edition is a thoroughly revised and updated version of the bestselling text for undergraduate leadership courses. This book is designed for college students to help them understand that they are capable of being effective leaders and guide them in developing their leadership potential. The Relational Leadership Model (RLM) continues as the major focus in this edition, and the book includes stronger connections between the RLM dimensions and related concepts, as well as visual applications of the model. The third edition includes new student vignettes that demonstrate how the major
