| Sommario/riassunto      | 1797 erscheint mit den Metaphysischen Anfangsgründen der Rechtslehre Immanuel Kants rechtsphilosophisches Hauptwerk. Nicht selten begegnet man daher der Auffassung, Kants Rechtsphilosophie entstamme im Wesentlichen seiner Spätphase und sei überdies nur schwer mit der kritischen Moralphilosophie der 1780er Jahre in Einklang zu bringen. Vor diesem Hintergrund widmet sich die vorliegende Untersuchung dem Vergleich des kantischen Rechtsbegriffs, wie er 1797 in der Einleitung in die Rechtslehre vorgestellt wird, mit Kants Ausführungen in den Vorlesungsnachschriften Moral-Mrongovius II und Naturrecht-Feyerabend aus dem Jahre 1784. Dabei kann nachgewiesen werden, dass der Rechtsbegriff von 1797 bereits 1784 ausgearbeitet war. Mehr noch: Es zeigt sich, dass Kants Rechtsbegriff nicht nur bereits in der Phase seiner kritischen Moralphilosophie vorlag, sondern vielmehr in einem Guss mit ihr konzipiert wurde und wie diese auf dem kritischen Freiheitsbegriff basiert. |

Corpus of novels and short stories for teenagers

---

## Sommario/riassunto

"Fictions of Adolescent Carnality considers one of the most controversial topics related to adolescents: their experience of desire. In fiction for adolescents, carnal desire is variously presented as a source of angst, an overwhelming experience over which one has no control, bestial, disgusting and, just occasionally, a source of pleasure. The on-set of desire, within the Anglophone tradition, has been closely associated with the loss of innocence and the end of childhood. Drawing on a corpus of 200 narratives of adolescent desire, Kokkola examines the connections between sociological accounts of teenagers' sexual behaviour, adult fears for and about their off-spring and fictional representations of adolescents exploring their sexuality. Taking up topics such as adolescent pregnancy and parenthood, queer sexualities, animal-human connections and sexual abuse, Kokkola provides wide-ranging insights into how Anglophone literature responds to adolescents' carnal desires, and contributes to on-going debates on the construction of adolescence and the ideology of innocence."--Publisher's website.
