Sommario/riassunto

This volume provides a comprehensive, broad-based overview, including first-person accounts, of the development and conduct of archaeology in the Southeast over the past three decades. Histories of Southeastern Archaeology originated as a symposium at the 1999 Southeastern Archaeological Conference (SEAC) organized in honor of the retirement of Charles H. McNutt following 30 years of teaching anthropology. Written for the most part by members of the first post-depression generation of southeastern archaeologists, this volume offers a window not only into the a
