Davis -- The Emergency Economic Stabilization Act's insurance for troubled assets / Baird Webel -- The Special Inspector General for the Troubled Asset Relief Program (SIG TARP) / Vanessa K. Burrows.
Sommario/riassunto	Many observers trace the root cause of recent instability in financial markets to uncertainty surrounding the value of widely-held securities that are based on mortgages and mortgage-related assets. This book highlights The Emergency Economic Stabilization Act (EESA), established in response to these economic fears.
