Sommario/riassunto	Leonard Bi Tirga, son of a poor peasant, is a studious pupil. Due to shortage of finances, he has to leave school to make ends meet and pursue his studies. Leonard becomes a sweatshop labourer. As a young labourer, his life like that of his peers is hard. The pay rate is low and the work is hard. With his friends, they engage in trade union activism. A series of complicated and trying events reinforces their conviction to militate. Thus, Leonard and his friend Camille become Union leaders. Leonard's character trait and uprightness explains the book title, Bi Tirga. In the Moore language, this
