

1. Record Nr.	UNINA9910967190203321
Titolo	Lexical cohesion and corpus linguistics // edited by John Flowerdew, Michaela Mahlberg
Pubbl/distr/stampa	Amsterdam ; ; Philadelphia, : John Benjamins Pub. Co., c2009
ISBN	9786612104770 9781282104778 1282104772 9789027289711 9027289719
Edizione	[1st ed.]
Descrizione fisica	124 p. : ill
Collana	Benjamins current topics, , 1874-0081 ; ; v. 17
Altri autori (Persone)	FlowerdewJohn <1951-> MahlbergMichaela
Disciplina	401.4
Soggetti	Cohesion (Linguistics) Discourse analysis Lexical grammar
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Lexical cohesion and rhetorical structure / John Morley -- Lexical bundles and discourse signalling in academic lectures / Hilary Nesi and Helen Basturkmen -- Cohesive chains and speakers' choice of prominence / Martin Warren -- Describing the extended meanings of lexical cohesion in a corpus of SARS spoken discourse / Winnie Cheng -- Use of signalling nouns in a learner corpus / John Flowerdew -- Lexical cohesion: Corpus linguistic theory and its application in English language teaching / Michaela Mahlberg.
Sommario/riassunto	Cohesion is generally described with regard to two broad categories: 'grammatical cohesion' and 'lexical cohesion'. These categories reflect a view on language that treats grammar and lexis along separate lines. Language teaching textbooks on cohesion often follow this division. In contrast, a corpus theoretical approach to the description of English prioritises lexis and does not assume that lexical and grammatical phenomena can be clearly distinguished. Consequently, cohesion can be seen in a new light: cohesion is created by interlocking lexico-

grammatical patterns and overlapping lexical items. A corpus theoretical approach to cohesion has important implications for English language teaching. The article looks at difficulties of teaching cohesion, shows links between communicative approaches to ELT and corpus linguistics, and suggests practical applications of corpus theoretical concepts.
