Sommario/riassunto

Even in the relatively serene world of North America and Western Europe, numerous conflicts with the propensity for sustained political violence are carried out by domestic groups with alarming regularity. This in-depth volume explores conflicts and potential hot spot areas in these regions, from anti-globalization protests to immigration politics to the Basque provinces and the ETA. Coverage is divided into three regions—the established democracies of the U.S., Canada, and Western Europe; the democratizing countries of post-communist Europe; and the more volatile region encompassing Russia, t
