Sommario/riassunto	French manners and civility were the model for European civilization, while feud is associated with backward societies. Yet in France thousands of men died in duels in which the supposed rules of honour were regularly flouted. In this detailed and original book Stuart Carroll

explores the nature of vengeance and reveals the dark side of Renaissance civilization. - ;The rise of civilized conduct and behaviour has long been seen as one of the major factors in the transformation from medieval to modern society. Thinkers and historians alike argue that violence progressively declined as men learne
