A Brief Survey / Nikolowa, Nataliya -- INDEX
Sommario/riassunto	William James's Varieties of Religious Experience is one of the most

renowned works of the famous psychologist and founder of pragmatism, and a fully accomplished anthropological analysis of the phenomenon of religion. In this book a selection of 10 papers from international scholars, previously presented at the International Centenary Conference in Celebration of The Gifford Lectures at University of Edinburgh in 2002, explore the theoretical and historical 'fringes' of James's work in the attempt to provide new insights into some major issues involved therein. The book is divided into two p
