Sommario/riassunto

The Archive for the Psychology of Religion/Archiv fur Religionspsychologie is the oldest medium in the psychology of religion. It is the official organ of the Internationale Gesellschaft fur Religionspsychologie (International Association for the Psychology of Religion IAPR) founded in 1914. Following a reorganization of the IAPR in 2001, the Archiv is now published as an international, peer-reviewed journal. The current editorship is shared by Jacob A. Belzen, Leslie J. Francis and Ralph W. Hood, Jr. "The Archive for the Psychology of Religion/Archiv fur Religionspsychologie" is open to all scientific methodologies, quantitative and qualitative as well as to established and innovative conceptual and theoretical perspectives in the psychology of religion.
