Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Standardized tests and college essay prompts demand that students produce quality analytical writing about abstract concepts. But how do you actually teach this kind of writing? Award-winning authors Gretchen Bernabei and Judi Reimer make it easy and fun. This book

includes 35 engaging lessons that give students just the focused practice they need to craft effective, analytical writing for any situation. Centered on classic fairy tales and designed for students of all ages, each lesson includes a writing prompt accompanied by a planning framework. Students write a truism, select or create a text structure, and write a kernel essay that serves as scaffolding for a detailed rhetorical piece. With practice, students move from depending on teacher guidance to becoming autonomous analytical writers. The teacher-friendly layout and built-in flexibility of the book empower you to

- Use each fairy tale lesson for reading, for writing, or for both
- Cluster lessons around a particular literacy concept or use each as a standalone lesson
- Pair fairy tales thematically with other readings
- Customize the text structure options to meet the needs of your individual students
- Encourage students to create their own text structures
- Teach students simple ways to expand their ideas into detailed, rich essays

Additional ideas for how to use the lessons, a complete collection of text structures, craft lessons on revision, and a list of conversation strategies are also included. Put Text Structures From Fairy Tales to work in your classroom and soon your students will be writing happily ever after.

Sommario/riassunto	Bertolt Brecht is one of the most prolific and influential writer-directors of the twentieth century. This fascinating anthology brings together in one volume many of the most important articles written about Brecht between 1957 and 1997. The collection explores a wide range of viewpoints about Brecht's theatre theories and practice, as well as including three plays not otherwise available in English: The Beggar or The Dead Dog, Baden Lehrstück and The Seven Deadly Sins of the

Lower Middle Class. Editors Martin and Bial have brought together a
unique compendium which cove
