The successes and failure of Spanish nationalism in the nineteenth century.                                                                                                                                                                                                                                                               |
| Sommario/riassunto      | Spanish identity in the age of nations offers the first comprehensive account in any language of the formation and development of Spanish national identity from ancient times to the present. Much has been written on French, British and German nationalism, but remarkably little has been published on Spanish nationalism. Paradoxically, even in Spain there is much more on Basque, Catalan and other regional nationalisms than on Spanish identity. As a result, this study fills an |

enormous gap in the literature on Spanish history.
