Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	The work has been authored by 3 experts in enforcement law to analyse whether an administration or government may release software as open source. Das vorliegende Werk wurde von drei Rechtspraktikern im Rahmen einer Studie verfasst und beantwortet die Frage, ob es nach geltendem Recht zulässig ist, dass der Staat Software, die er selber nutzt und über deren Urheberrecht er verfügt, unter einer „Open-Source“-Lizenz der Öffentlichkeit zur Verfügung stellt, bzw. auf welcher föderalen Ebene und auf welcher Normstufe entsprechende Rechtsgrundlagen zu schaffen wären. Grundlage bildet die Situation im Kanton Bern (Schweiz) und gemäss schweizerischer Bundesverfassung.
