Sommario/riassunto

Now covering the whole of Europe from the French Revolution to the present day, this major new edition has been completely revised and brought up-to-date. The approach embraces the whole continent from both national and regional perspectives, and combines political survey with grass roots 'people' history. Bringing this history vividly to life, the authors use a very broad range of sources including memoirs, archives, letters, songs and newspapers. In particular, there is new treatment of the following themes: Religion and the modern Papacy Immigration in Europe and relationshi
