Sommario/riassunto	This book presents a detailed in-depth study, primarily based on primary Arabic sources, of the background, history and the consequences of the rebellion of Muhammad born Abdallah born al-Hasan born al-Hasan born Ali born Abi Talib, better known as al-Nafs al-Zakiyya, in 145/762, during the reign of the Abbasid Caliph, Abu Jafar al-Mansur. It focuses on the relations between the early Abbasid and the different Talibi-(Shii) families - mainly the Hasanis and the Husaynis - and the internal struggles between these factions for the legitimacy of authority.

Sommario/riassunto	In this text a leading economist discusses the potential of happiness research (the qualification of well-being) to answer important questions that standard economics methods are unable to analyze. Emphasizing empirical evidence rather than theoretical conjectures, Frey

substantiates the need for happiness research.
