Brides of Mad Men and Their Weddings Index; Contributors; About the
Editor

Sommario/riassunto

Media Depictions of Brides, Wives, and Mothers, edited by Alena Amato
Ruggerio, explores how television, film, the internet, and other media
variously perpetuate gender stereotypes. The contributors to this
volume bring a variety of feminist rhetorical and media criticism
approaches from across the communication discipline to their analyses
of how media shape our expectations of the performance of women's
domestic roles.
