Sommario/riassunto	Nicola Barker is in trouble. A video has been made, and she is the unwitting star. In a bid to stop the footage being used against her, Nicola makes a snap decision: to post it online herself. What started as a drunken night in a dirty club ends with a unique business opportunity for Nicola and her two sisters, changing the meaning of 'amateur porn' forever. But where there is demand, there must be supply, and as the line between empowerment and exploitation becomes blurred, public opinion begins to turn against the trio. A darkly comic new play from the writer/director team behind A First World Problem, this is a blistering study of our attitudes to porn, and the women who make it for themselves.
