The Examiner Defended in a Fair and Sober Answer -- Chapter eight. The Hireling Ministry None of Christ's -- Chapter nine. George Fox Digg'd out of His Burrowes -- Chapter ten. Selected Letters -- Index
Sommario/riassunto	Banished from the Massachusetts Bay Colony for his refusal to conform to Puritan religious and social standards, Roger Williams established a haven in Rhode Island for those persecuted in the name of the religious establishment. Davis gathers together important selections from Williams's public and private writings on religious liberty, illustrating how this renegade Puritan radically reinterpreted Christian moral theology and the events of his day in a powerful argument for freedom of conscience and the separation of church and state.
