Nota di contenuto	An intellectual call to arms -- The Confederate critique of northern culture -- The birth of Confederate literature -- The campaign for Confederate educational independence -- The high-water mark -- Searching for a Confederate "literature of power" -- Are we a highly civilized people? -- Conclusion: independent in nothing, neutral in everything.
Sommario/riassunto	During the Civil War, Confederates fought for much more than their political independence. They also fought to prove the distinctiveness of the Southern people and to legitimate their desire for a separate national existence through the creation of a uniquely Southern literature and culture. In this important new book, Michael Bernath follows the activities of a group of Southern writers, thinkers, editors, publishers, educators, and ministers--whom he labels Confederate

cultural nationalists--in order to trace the rise and fall of a cultural
movement dedicated to liberating the South from its
