Nota di contenuto	pt. 1. Inner moral conflict : in search of an explanation -- pt. 2. The two souls : an analysis of origen's explanation -- pt. 3. History of the two souls : an examination of their relationship.
Sommario/riassunto	Become Like the Angels explores Origen's legacy and, in particular, his teachings about the origin, nature, and destiny of the human person. By way of a historical critical approach, Benjamin P. Blosser discusses the influence of Middle Platonic philosophy on the human soul and then compares it with Origen's teaching.
