Randall Doyle and Boshu Zhang have grappled with several of the most important issues relating to the rise of modern China at the beginning of a new millennium in their new book, Modern China and the New World: The Reemergence of the Middle Kingdom in the 21st Century. Topics such as geopolitical influence, U.S.-China relations, the continued role of Henry Kissinger, the Tibet question, and the transformation of the Chinese political system are addressed in this insightful and knowledgeable work.
