Sommario/riassunto	The third volume covers terms, theories and ideologies of anti-Semitism from A as in "Abwehr" (resistance) to Z as in "Zwangstaufe" (forced baptism). In 150 articles 88 authors explain terms and metaphors such as "Aryan Acts", "race defilers" and "usurer-Jew" as well as stereotypes like "well poisoning", "host desecration" and "decide". The volume also explores phenomena such as redemptive anti-Semitism, Holocaust denial, and hostility towards Jews in antiquity. Furthermore, the handbook extensively discusses theories, research strategies and political contexts of hostility towards Jews, e.g.
