Sommario/riassunto	In this book, Carr unravels the biography of the archaeologist Tessa Verney Wheeler, a charming, tiny woman whose untimely death left her archaeological career overshadowed by her distinguished husband, Sir Mortimer Wheeler. Despite a short career of just over twenty years, Verney Wheeler published and excavated extensively while simultaneously developing new archaeological techniques, brought archaeology into the lives of the general public through her connections with the Press and the encouragement of site tours, and was an inspiring teacher to an impressive roster of students.
