Autore	Joyce Judith
Titolo	Notes on small animal dermatology // Judith Joyce
Pubbl/distr/stampa	Chichester, West Sussex ; ; Ames, Iowa, : Wiley-Blackwell Pub., 2010
ISBN	9786613404121 9781118279373 1118279379 9781283404129 1283404125 9781118279342 1118279344
Edizione	[1st ed.]
Descrizione fisica	1 online resource (377 p.)
Disciplina	636.089/65
Soggetti	Veterinary dermatology Pet medicine
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Machine generated contents note: INTRODUCTION.SECTION I (the basic tools).1 Terminology and glossary.2 Lesions and descriptive terms.3. Investigation and diagnosis.SECTION 2 - PROBLEM ORIENTATED APPROACH TO THE SKIN CASE.4. The pruritic patient.5. The scaling patient.6. Hair loss.7.Pyoderma.8.Changes in pigmentation.9.Nodular skin disease.SECTION 3 -AETIOLOGICAL APPROACH TO SKIN DISEASE. 10.Skin disease caused by ectoparasites.11.Skin disease caused by micro-organisms.12.Skin disease caused by hypersensitivity.13. Immune-mediated skin disease.14.Endocrine skin disease.15. Diseases of the pilosebaceous unit.16.Skin diseases associated with metabolic disorders.Skin Neoplasia to Miscellaneous skin disorders. (6-10 colour plates).SECTION 4 ANATOMICALLY LOCALISED SKIN DISEASES.17. Feet. 18. Perianal region.19. Ears.20. Eyes.21. Mouth.22. Face.23. Legs to include Acral lick dermatitis.SECTION 5 TREATMENT.26. Treatment of primary skin disease.27.Treatment of presenting signs and complicating factors.28. Use and abuse of glucocorticoids in skin disease.29.Topical treatments.Further Reading.

**Sommario/riassunto**

"Part of the popular 'Notes On' series, this book is full of practical advice and information on diagnosing and treating common dermatological problems in small animals. The rapid reference format is designed to help you locate information as quickly as possible. Information on common dermatological complaints is offered in different ways to meet a variety of needs. Firstly a problem-orientated perspective is provided, and then a disease-based perspective looking at what underlying problems cause particular diseases. This is followed by a section that looks at dermatological disease by anatomical location, and a section that outlines different treatments. Supplemented with full-colour photographs throughout to aid diagnosis. Detailed flow-diagrams illustrate the problem-orientated approach. Text is laid out in note form for ease of reference. This book is ideal for veterinary students, new practitioners and established professionals who need a quick refresher"--Provided by publisher.

Sommario/riassunto	<p>This book examines the Hebrew Bible's numerous laws about sacrificial procedure to understand the significance of gender in sacrificial rituals and the reasons that gender distinctions are so vital in these acts. Gender selection of both victims and participants is an intrinsic aspect of the nature and purpose of each rite, affecting its form and function, as well as its legitimacy. Sacrifice and Gender in Biblical Law considers the laws of the firstborn, the rite of the red cow, laws of slaughter, rituals of purification, and other offerings. It shows that these laws regulate material wealth and contribute to the construction of social roles.</p>
