Sommario/riassunto	Interest in ethnic studies and multiculturalism has grown considerably in the years since the 1992 publication of the first edition of this work. Co-editors Ratner and Buenker have revised and updated the first

edition of Multiculturalism in the United States to reflect the changes, patterns, and shifts in immigration showing how American culture affects immigrants and is affected by them. Common topics that helped determine the degree and pace of acculturation for each ethnic group are addressed in each of the 17 essays, providing the reader with a comparative reference tool. Seven new ethnic
