translation -- Parallel corpora -- Comparable corpora -- Corpus design -- Corpus tools and analysis -- Features of translation -- Translators, style and ideology -- Corpora in translator training -- Corpora in translation practice.

Sommario/riassunto

The use of corpora in translation studies, both as a tool for translators and as a way of analyzing the process of translation, is growing. This book provides a much-needed assessment of how the analysis of corpus data can make a contribution to the study of translation. *Introducing Corpora in Translation Studies*: traces the development of corpus methods within translation studies defines the types of corpora used for translation research, discussing their design and application and presenting tools for extracting and analyzing data examines research potential and methodological limitations considers some uses of corpora by translators and in translator training features research questions, case studies and discussion points to provide a practical guide to using corpora in translation studies. Offering a comprehensive account of the use of corpora by today's translators and researchers, *Introducing Corpora in Translation Studies* is the definitive guide to a fast-developing area of study.

Sommario/riassunto	'Seventy percent of my constituents are white, Karen. I have to be a politician, who "happens" to be black. Not a black man who "happens" to be a politician.' Karen loves politics. She's a rising star but on the eve of a general election she risks her career and reputation on a bitter and contentious fight over whether to allow short lists for black Parliamentary candidates. Deselected by her party, and betrayed by the

men she loves, Karen must embark on a relentless road to power and political redemption. Provocative and raw, Upper Cut unravels the fight for diversity and black representation through today's coalition politics, the hope and rebirth of New Labour and delves into the troubled heart of a Labour party struggling under the might of Thatcher's Tory revolution. Upper Cut is inspired by true political events.
