Featuring over 60 new and revised entries on diverse topics such as the Onesie, Brothel Creepers and the Birkin Bag, this edition is even more comprehensive and brings this costume historian's bible fully up to date. With many more images to accompany the text and illustrate key fashions / including cartoons, prints and lavish color photographs of surviving garments / this version of the dictionary brings dazzling and unusual garments to life for researchers, students, costume designers and everyone interested in the subject.
