Achievement; 11. Co-Constructing Lucy: Adding a Social Perspective to the Assessment of Communicative Success in Aphasia; Index; A; B; C; D; E; F; G; H; I; J; K; L; M; N; O; P; Q; R; S; T; V; W; Y; Z

Sommario/riassunto

How do people with brain damage communicate? This collection of articles examines the ways in which aphasia and other neurological deficits lead to language impairments that shape the production, reception and processing of language.
