Disciplina	100
Soggetti	Fin de Siecle Moderne analytische Philosophie 20. Jahrhundert Liberalismus Wiener Kreis Emigration Rush Rhees Elizabeth Anscombe Georg Henrick von Wright modernity analytical philosophy 20th Century liberalism Vienna Circle
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (pages [24]-26) and index.
Sommario/riassunto	Every student of the twentieth century has heard both of the great Viennese economist Friedrich von Hayek and of the equally great philosopher Ludwig Wittgenstein. But what isn't well known is that the two were distant cousins and that, shortly after Wittgenstein's death in 1951, Hayek set out to write a biography of his cousin. The project was derailed by Wittgenstein family members, who felt it was too soon to

publish such a work. But Hayek's draft acquired an underground readership, and Wittgenstein's biographers have used it extensively. Here finally, is the text of that work itself. Hayek's account has the great merit of being close to its subject; the draft, moreover sheds light, not only on Wittgenstein but on Hayek as well. Allan Janik's elegant afterword makes these links clear. Anyone interested in Wittgenstein or, for that matter, in the thought and culture of the earlier twentieth century, will want to read Christian Erbacher's excellent edition of Hayek's draft biography. – Marjorie Perloff
