Sommario/riassunto	This book presents a series of reflections by Cameroon scholars on a variety of topics associated with regional balance and national integration. The different reflections look for answers to some burning questions of the day such as: Where are we coming from? Where are we going? How are we going where we are going? Have the different state ideologies offered appropriate solutions to the quest for a strong, united, stable and prosperous nation-state? If not, what has gone wrong and why? What can be done to shape the future and accommodate the aspirations of the men and women of Cameroon and of
