Deep River; Afterword; Appendix A: A Brief Biography of Endo Shusaku; Appendix B: Synopses of the Works Discussed; Notes; Selected Bibliography; Index
Sommario/riassunto	Endo Shusaka is probably the most widely translated of all Japanese authors. In this first major study of Endo's works, Mark Williams moves the discussion on from the well-worn depictions of Endo as the 'Japanese Graham Greene', and places him in his own political and cultural context.
