Sommario/riassunto

This unique and visionary text is a compilation of fascinating studies conducted in a variety of cross-cultural settings where children learn language and literacy with siblings, grandparents, peers and community members. Focusing on the knowledge and skills of children often invisible to educators, these illuminating studies highlight how children skilfully draw from their varied cultural and linguistic worlds to make sense of new experiences. The vastly experienced team of contributors provide powerful demonstrations of the generative activity of young children and their mediating p
