| Sommario/riassunto   | Beyond Postprocess offers a vigorous, provocative discussion of postprocess theory in its contemporary profile. Fueled by something like a fundamental refusal to see writing as self-evident, reducible, and easily explicable, the contributors rethink postprocess, suggesting that there is no easily defined moment or method that could be called postprocess. Instead, each contribution to this collection provides a unique and important example of what work beyond postprocess could be. Since postprocess theory in writing studies first challenged traditional conceptions of writi |
