#### Sommario/riassunto

---

A revised and expanded edition of the groundbreaking Edison in the Boardroom, highlighting the winning strategies today's biggest companies use to maximize the value of their intellectual property. Now fully revised and expanded, Edison in the Boardroom, Second Edition takes an in-depth look at the revolutionary concept of intellectual asset management (IAM). Incorporating stories and teachings from some of the most successful companies in the world-such as Hewlett-Packard, IBM, Procter & Gamble, Rockwell, Dow, Ford and many others-Harrison and Sullivan have made an
