Sommario/riassunto	Clear-Cut Ways to Manage Project Planning If you're a typical project manager, you're probably aware of the importance of planning but may not have the time or expertise to develop a full-blown strategy. Here's a quick and practical guide to applying the disciplines of proven

planning practices without the rigor of complex processes. Part of the Project Manager's Spotlight series from Harbor Light Press, this straightforward book offers solutions to real-life planning scenarios. Author Catherine Tomczyk highlights critical components of project planning and equips you with to
