| Livello bibliografico | Monografia |
| Note generali | First published 2009 by Left Coast Press, Inc. |
| Nota di bibliografia | Includes bibliographical references (p. 352-386) and index. |
| Nota di contenuto | Contents; List of Figures; List of Tables; Preface and Acknowledgments; Chapter 1: Project History, Purpose, and Setting; Chapter 2: A Critical History of Archaeological Research on the Oregon Coast; Chapter 3: Sampling, Sample Size, and Artifact Assemblage Size and Richness in Oregon Coast Archaeological Sites by Virigina M. Betz; Chapter 4: Adaptational Strategies in Coastal Environments; Chapter 5: Archaeology of Umpqua/Eden (35DO83); Chapter 6: Archaeology of Seal Rock (35LNC14); Chapter 7: Archaeology of Whale Cove (35LNC60) Chapter 8: Late Prehistoric Adaptational Strategies on the Oregon CoastChapter 9: Final Issues and Conclusions; Appendices; References; Index |
| Sommario/riassunto | This book is the first synthesis of the prehistory of the coast of Oregon. |

It analyzes the artifacts and mammalian faunal remains of three representative sites on the coast. A model of the evolution of cultural adaptational strategies is presented and tested, from which it creates a model of coastal cultural development. On a methodological level, the volume examines the overriding importance and effects of various sampling techniques.
