Sommario/riassunto	Men Speak Out: Views on Gender, Sex, and Power, Second Edition highlights new essays on pornography, pop culture, queer identity, Muslim masculinity, and the war on women. With personal candor and political insight, this collection of diverse authors explores sex work, digital activism, incarceration, domestic violence, surviving incest, and standing firmly as male allies facing the backlash against women's reproductive rights. Featuring eleven new essays and six revised thematic sections, this second edition of a favorite anthology continues to encourage robust discussion and vibrant debate about masculinity and the possibilities for progressive change. The contemporary, compelling essays in Men Speak Out appeal to students, scholars, activists, and everyday readers.
