Sommario/riassunto	One of the foremost authorities on the use of sign language with hearing children provides a guide for teachers and parents who want to introduce signing in hearing children's language development. Marilyn Daniels provides a complete explanation for its use, a short history of sign language and its primary role within the Deaf community, an identification of the steps to reading success delineated with suggestions for incorporating sign language, and finally the results of

studies and reactions of children, teachers, and parents. She shows
how sign language can be used to improve hearing child
