Sommario/riassunto	Hailed as the beneficiary, driving force and result of globalisation,

India's middle-class is puzzling in its diversity, as a multitude of traditions, social formations and political constellations manifest contribute to this project. This book looks at Indian middle-class lifestyles through a number of case studies, ranging from a historical account detailing the making of a savvy middle-class consumer in the late colonial period, to saving clubs among women in Delhi's upmarket colonies and the dilemmas of entrepreneurial families in Tamil Nadu's industrial towns. The book pays tribu
