The Worst Moment; 20. Conclusion; Notes Bibliography/Index
Sommario/riassunto	Drawing on a vast range of previously classified government archives as well as interviews with key participants, this first volume of the official history of the Falklands Campaign is the most authoritative account of the origins of the 1982 war. In the first chapters the author analyzes the long history of the dispute between Argentina and Britain over the sovereignty of the Islands, the difficulties faced by successive governments in finding a way to reconcile the opposed interests of the

Argentines and the islanders, and the constant struggle to keep the
Islands viable. He subseq
