Sommario/riassunto	This book takes the case of Gregory Rabassa, translator into English of such canonical novels as Garc'a MORquez's Cien a-os de soledad and CortOzar's Rayuela. In the chapters, the author historicizes the translator's practice by investigating Rabassa's ideas about translation and his own practice, the relationship between Rabassa and 'his' authors, and the circulation and reception of Rabassa's translations, especially of the works of the so-called Latin American Boom. By critically engaging Rabassa as a translating subject, this book affirms the translator's active role in shaping literary tr
