Sommario/riassunto	Collecting together papers from international journals, this book encompasses economics and the philosophical, historical, technical and practical facets of the real world. Grouped together in three separate, yet related parts, the essays deal with 'Problems of Developed Economies', 'Problems of Developing Economies' and 'International Prosperity and Progress'. Reviews of relevant books by Roy Harrod, T. Haavelmo, W. A. Lewis and T. Barna have been included as appendices. Truly international in its coverage and sources, this collection includes articles from the USA, Japan,
