Sommario/riassunto	A central figure in both classical and ancient near Eastern fields, Trevor Bryce presents the first publication to focus on Troy's neighbours and contemporaries as much as Troy itself. With the help of maps, charts and photographs, he unearths the secrets of this iconic ancient city. Beginning with an account of Troy's involvement in The Iliad and the question of the historicity of the Trojan War, Trevor Bryce reveals how the recently discovered Hittite texts illuminate this question which has fascinated scholars and travellers since the Renaissance.Encom
